4. In the space below, or on a separate sheet of paper, please describe your overall judicial philosophy.

I believe the plain words of our Constitution should serve as the primary guide when interpreting laws.
I believe the judiciary is a co-equal branch of government. As a former legislator, I understand separation of powers
and believe in judicial restraint. I know how laws are made and as a State prosecutor, I understand how laws are executed
in the courtroom. The Judiciary is an independent branch of government. Other branches of government are responsible
for policy-making and carrying out laws.

5. In the space below, or on a separate sheet of paper, please describe the role faith plays in your daily life.

My faith is very important to me. When you visit my house, you will see a Bible verse on our
front porch: Joshua 24:15 - As for me and my house, we will serve the Lord.
As a Judge on the Court of Appeals, I hope to live up to the words of Micah 6:8 - Act justly, love
mercy, and walk humbly with my God.
