4. In the space below, or on a separate sheet of paper, please describe your overall judicial philosophy.

The role of a jurist is to interpret the law, not make the law. I am an originalist. I believe we should seek the original meaning of the text to guide our interpretation of the law.

5. In the space below, or on a separate sheet of paper, please describe the role faith plays in your daily life.

My faith guides me every day. It teaches me that we are all of value and made in the image of God. It reinforces that my most important job is to take care of my wife and my two children.
