The two questions I marked 'undecided' were regarding tax breaks for new businesses and term limits. Here are my thoughts.

4) Tax Breaks for New Businesses-

While I am in favor of growth and development, I also recognize the increased financial burden that often falls upon the citizens of a community to provide schools, health care, utilities and infrastructure for significant population growth that can occur with large businesses moving into communities.

I think we should have parameters in place to ensure that the complete financial burden doesn't fall on the shoulders of individual citizens, while still maintaining a welcoming atmosphere for new businesses

15) Term Limits-

I believe legal, fair elections will function as term limits.

I am in favor of strengthening our election integrity system to ensure that those in office truly are placed there by the will of their citizen constituents and, as such, they will be held accountable for their decisions while in office.

Thank you for the opportunity to share my platform.

Respectfully,

Michele Morrow
